WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION  
WASHINGTON, D. C.  
ORDER NO. 333

IN THE MATTER OF:

Served December 13, 1963

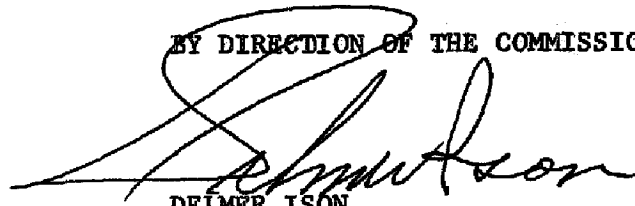

The Application of Dawson Charter	)	Application No. 247
Service, Inc., for a Certificate	)	
of Public Convenience and Necessity.)		Docket No. 44

Pursuant to Section 16 of the Compact, Dawson Charter Service, Inc., filed an application for reconsideration of Order No. 326, alleging certain grounds upon which it contends the Commission erred in promulgating said Order. The Commission has considered the issues raised by the applicant and finds that it has not advanced any arguments or reasons in support of its position which had not been heretofore considered by the Commission. In its application for reconsideration the applicant also seeks permission to file a brief in support of its contentions and an opportunity for oral argument.

The submission of briefs and the presentation of oral argument would serve no useful purpose after the above finding.

THEREFORE, IT IS ORDERED that the requests of Dawson Charter Service, Inc., for permission to file a brief and for oral argument and the application for reconsideration be, and they are hereby, denied.

BY DIRECTION OF THE COMMISSION:

  
DELMER ISON
